

**We need your help!!**  
**The Property Committee, chaired by Renton Patterson,**  
**has lots of jobs that need to be done before our**  
**2009 camping season begins.**

As usual, the spring of the year is time at Lau-Ren to do essential maintenance work and repair work – as well as upgrades to better accommodate campers and staff.

Work parties are welcome. We would welcome an enterprising individual who would round up a few lads to go to Lau-Ren as a team to work together on a project. Individuals or groups, please check with Renton Patterson at [publiced@igs.net](mailto:publiced@igs.net) to make arrangements. Work starts in April.

Items for this spring include:

**Maintenance projects**

- Repair screen doors on boys east WR, east door of Mackie; and Room 11 in Motel
- Re paint four-square
- Re-locate and re-work solar collector panels
- Canoes have split seats – fix or cover with marine plywood
- Clear brush and trees from around north of Patterson
- Clear brush and trees from around Fellowes Hollow
- Repair / replace rotting beam at back of Motel
- Improve sliding doors in the Kitchen
- Perform procedure in Smyth Washroom to improve toilet operation

**Capital Items**

- Install new floor covering in the Health Care Provider's part of the Infirmary
- Install a water supply for the gas oven in the Kitchen
- Add showers to east washroom
