

Camp Lau-Ren

Summer 2010

**A Camp of the United Church of Canada -
A Christian experience in an outdoor setting.
On the Ottawa River, 10 kilometers west
of Deep River, off Highway #17, on Lau-Ren Road.**

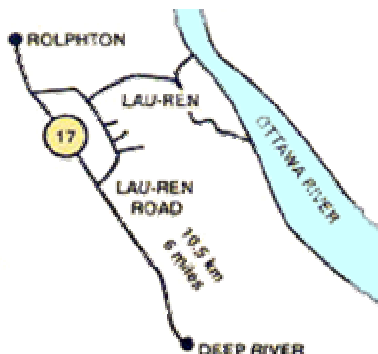

In Camp Lau-Ren's natural setting, there is an opportunity to gain a deepening awareness of others, a growing understanding of oneself, and a strengthening of personal faith as we meet God in Jesus Christ.

The centre of camp activity is a spacious lodge with a large fireplace in the dining area. A screened verandah doubles as an activity and games room. Across from the dining hall is The Rock inviting all to climb and explore or just to sit down and dream. Near the river, an outdoor chapel provides a quiet place for worship and meditation. Time at the McLaren Craft Centre is one of the very popular features of the day and many craft skills can be learned there. A large field is available for sports and games. Sleeping cabins are located in wooded areas close to modern washroom facilities. Beginners and advanced swimmers alike can enjoy the large sandy beach under qualified waterfront supervision. Canoeing is also a major part of the waterfront program.

Make it a summer they'll remember!

***Residential one week camps.
